Time Away Hydrotherapy Spa Capsule – **\$68.00**

60mins - Available seasonally ask upon booking.

Step into our hydrotherapy capsule flooded with the colour of your choice to set the scene for your relaxation water treatment. The treatment begins with a full body exfoliation, followed by a masque application, and then the treatment *really* begins! The masque is infused using warm and cool steam, you are then given your choice of a scalp massage or facial massage, and then the masque is rinsed from your body with a vichy rainshower. The treatment is completed with an application of rich body butter.

Sauna: 20minutes **\$15.00**

30 minutes **\$25.00**

You will need to bring your own towel for the sauna

Sauna is best used before a massage

Skin Care

Our skin is the first to show signs of our lifestyle, diet, premature ageing and other conditions. Enjoy facial treatments that begin with complete skin analysis & work to address your skin care concerns.

Bioelements Core Facial **\$25.00**

Designed for your exact complexion, this personalized facial is totally customized from start to finish! You'll experience a custom blended deep pore cleansing, exfoliation & massage of the face, neck & shoulders followed by a therapeutic Bioelements mask & serum designed to correct specific problems. Emerge an hour later with immaculately clean, smooth and glowing skin.

Flaxx-C Anti-Aging Facial **\$35.00**

This breakthrough treatment is created for skin that's showing signs of age — sagging, fine lines & dullness. Thorough cleansing is followed by our exclusive layered exfoliation process, energizing massage & ultra-tightening mask. Designed to restore firmness to sagging skin as it lifts, tightens & smoothes. Instantly experience firmer, more resilient skin. Allow 60minutes.

Lactic Plus peel **\$45.00pertreatment** **\$150.00 series of 6**

The lactic plus deep exfoliation for the skin is a professional peel utilising Lactic acid which is one of the most hydrating yet result driven exfoliation techniques. This is best done in a series of 6 to gain results that are noticeably visible and is great for dull tired looking skin and pigmentation. Acne scarring is also great to treat with this kind of treatment depending on the level of scar tissue/see therapist for more details.

Microcurrent Facial **\$45.00pertreatment** **\$170.00 series of 6**

Referred to as the non-surgical face lift. An advanced facial that utilises micro current instead of a facial massage, this treatment is designed to gently lift your features resulting in a softer appearance to your face. This is best done in a series of 5 weekly treatments for best results and is sub sensory in application so you will be able to relax during the process. NB: For long lasting results, we recommend product use at home – your therapist will prescribe product for you.

Advanced Machinery— add \$10 to your favourite facial Galvanic/ lymph drainage or High frequency/pressure point massage – speak to your therapist to see which best suits you!

Machinery is used to enhance the results of your facial by aiding in deeper penetration of product/cosmeceuticals, aids in tightening and plumping the appearance of your face incorporated with the use of drainage techniques. Calm and soothe irritated vascular conditions and help reduce inflammation in acne related disorders of the skin.
